

## Waste Reduction Heroes

They're the ones who lead the way. The ones who do more. The ones who are changing our province and ensuring we have a greener future. **They're our waste reduction heroes.**

### Ms. Courage

**Teacher, Beachy Cove Elementary,  
Portugal Cove–St. Philip's**

At Beachy Cove Elementary, students aren't just the motivation for a greener future, they're the ones leading the way. With engaged teachers like Ms. Courage by their side, these students:

- Have an enviro-club called the Environmental Agents
- Are encouraged to have waste-free lunches – each student even has a reusable lunch order bag!
- Are active participants in MMSB's school recycling program
- Compost food waste in the classroom using worms!
