

a healthy appetite for waste diversion

is our *greener future.*

Waste Reduction Hero, Gerry Tuck Store Manager, Belbin's Grocery

Belbin's Grocery is a small business with a big commitment to the environment. By encouraging customers and providing alternatives, they've already reduced the use of plastic bags at their store by 70%! Plus, customers can bring back food and beverage containers so they can be recycled to help community fundraising efforts. With a few smart waste diversion tactics in their bag of tricks, Gerry and his staff have gotten their customers onboard with reducing waste.
